A YEAR OF ENCOUNTER

With a general election due sometime this year, politicians will be looking for our votes. We have a responsibility as Catholics to make sure that parties commit to tackling issues such as poverty and injustice. Raising our voices and contacting parliamentary candidates as a parish community will send a strong signal to those standing for election in our local constituencies.

A Year of Encounter is a joint initiative between CAFOD and St Vincent de Paul Society (SVP), equipping Catholics to ask key questions of local candidates at the key moments.

See <https://cafod.org.uk/encounter> for more information, including online sessions on 25th April and 4th May to learn more.

ST MARY'S ROOF INSPECTION

In the week beginning 20th May, Lloyd & Smith will be coming to inspect St Mary's church roof over the left-hand aisle. Roof tiles will be lifted to inspect underneath in order to ascertain what needs to be done to repair the areas of depression and areas where there is water ingress. This will include the roof near the Lady Chapel where there have been problems in the internal wall and arch for several years.

It is expected that the work will take about one day to complete. This will obviously impact on car parking and the use of the car charger. Work is planned for **Monday 20th May** but the date may change subject to the weather.

DONATION - THANK YOU

Thank you to an anonymous parishioner for the wonderful donation of **£1000** towards St Mary's roof repairs.
